The Kerala Agricultural University (KAU) is organising a one-day national workshop on "Research Publishing and Plagiarism Control" on December 7 at its Central Library, Vellanikkara, Thrissur.

University and college teachers, researchers and librarians from national institutes such as ICAR, DRDO, ISRO, DBT, ICMR, ICSSR and KSCSTE can participate.

There is no participation fee for KAU teachers, librarians, researchers and PG and PhD scholars. Participants from outside the university should pay ₹300.

Within six months of the workshop, participants will get a chance to check plagiarism in one of their theses or research papers by using the facility and software available in the library/university.

Interested persons should register by sending in details, name, designation/course, institution, phone number and e-mail to library@kau.in. For details, contact K.V. Alphonsa, coordinator 9400763526; or A.T. Francis, University Librarian, 9496839409. Website: www.kau.in or www.kaucentrallibrary.org.

Selection will be based on first come, first served basis.
